# Sketches and Diagrams

Tanya's Unfair Chores

Explanation: This sketch takes users through the process of setting chores to cycle who is assigned every week. Initially, Tanya has been assigned to the same hard chore every week but after changing the cycle settings the next week she has been assigned to a different chore.

Casey's Kids are Fighting

Explanation: This sketch illustrates how users would navigate to the history page to see a log of all completed chores and who completed them.

Roman is Stuck at the Office

Explanation: This sketch shows how a user would view the list of chores and check their completion. Additionally, it illustrates how a user could see a comparison of their family members and how many chores each have completed.
